Mind, emotions and body are all closely interlinked and always work together. It helps you distinguish them clearly if you try to understand them separately. Your mental capacities are your abilities to concentrate, to take in new information and to be in a position to think logically. You need your mental capacity in order to study, to work to impose a constructive and workable order on your life, and to make rational day to day decisions.

 1. How does our mental power make us powerful?
 2. Why do we need our mental capacity?
- **Fill in blanks with the appropriate words from bracket:** **4**
